

# VICTORY KIDS FAMILY DEVOTIONS!

Woohoo! We are so excited for new and exciting opportunities to grow!

Here at Victory Church we believe that God's Word defines truth. In a culture where children are being challenged daily, now more than ever our children need to know what God's Word says. By participating in Family Devotions, you will have access weekly to 3 to 4 devotions that go along with our lesson from Sunday. Not only will your child(ren) be growing, but by participating in Family Devotions, you are participating in our mission measures by allowing God's Word to lead you and by building your family. Join us in saying YES to growing as a family in 2024!
